CONGRATULATIONS IAN LOWE

We are sure readers will want to join us in congratulating Ian Lowe on his recent appointment as President of the Australian Conservation Foundation (ACF). No one, in our view, is more ideally qualified for the position. Our thanks to Ian for his longstanding service to *Social Alternatives* as a member of the journal's advisory board, and, as readers will note, he has co-guest-edited this issue with Elizabeth Eddy on the environment...not the first time he has undertaken the guest-editing of an SA issue. We extend to him our very best wishes and support in the new challenges that lie ahead.
